## Transportation of Deceased

Requirements for transportation of a Deceased Kenyan:

- Proof that the deceased person was a Kenyan e.g. Passport, Birth Certificate.
- Locally issued burial and/or transit permit.
- Certified copy of the Death Certificate.
- A letter from the local health authority certifying that the deceased did not die of contagious disease.
- A metal hermetically sealable casket is recommended.
- A letter from the Director of funeral home stating how the body was embalmed.
- On receipt of the above documents, the High Commission will issue a letter of no objection for the remains to be transported to Kenya. No fee is charged for the service
